Terms & Conditions

ALL buffets are to be paid for in advance OR an invoice raised and confirmation received. We DO NOT deliver unless we have the availability to do so. A delivery charge will be agreed to cover staffing costs and fuel. If you require napkins, paper plates and cutlery, please ask for the prices.

You can supply your own plates/platters etc.

We need to know any dietary requirements at the point of ordering – ALL foods are labelled with allergens.

We make as much of our food as possible, this way we know exactly what is in our food. **We cannot make GF food** – we do not have separate food preparation areas and requests for these foods are low. We buy-in vegan foods/ingredients, the costs of which are far higher. We apply £2 per person to the cost of the buffet to cover the additional costs. Gluten Free requests – we cannot ensure the full safety of GF requests. We do observe high food safety standards, preparing the GF food first, cover and remove from the preparation area BUT please be aware the bakery uses flours that can transfer through the air – please be satisfied that this meets your requirements. We buy-in GF foods/ingredients, the costs of which are far higher. We apply £2 per person to the cost of the buffet to cover the additional costs. Please be aware that the bakery also uses nuts (almond, hazel, walnut etc) nuts are stored in food safe containers and used only when needed, but you must satisfy yourself that this is acceptable to your dietary requirements.
